

REPORT TO: Mayor and Council

FROM: Shane Freamo, Information Technology Manager

DATE: March 20, 2019

SUBJECT: **Purchase of Computer Hardware**

Background

A report was submitted to the Administration & Finance Executive Committee recommending the capital purchase of \$10,000 for computer hardware from the \$31,000 that is in the 2019 capital budget.

This amount will be used to purchase new desktop and laptop computers since currently there are no more spares in stock.

Recommendation

The Administration & Finance Executive Committee supports the purchase of computer hardware for \$10,000 ahead of the capital budget approval.

Respectfully submitted,

Shane Freamo
Information Technology Manager

<p>Council approval of this report will: agree to the recommendation of the Administration & Finance Executive Committee to support purchasing computer hardware for \$10,000 ahead of the 2019 capital budget approval.</p>
