

Manager's Report Tuesday October 12th 2021

Things are back to normal at the Centre with the cards, coffee, and snooker. The cardmaking, shop lessons and knitting groups are all doing very well.

Our calligraphy class will start in November, and we have 8 people signed up for that. We have our cooking classes starting on October 20th and I am still looking for a teacher for the painting classes.

We had our booth at the Science North Road Show, and we had a lot of people stop by and they were very pleased that we were going to be offering other things to do here. I think overall it was a very good 2 days . I want to thank Irene, Cynthia, Rick and Ken for coming out to help man the booth with me.
