Re: Temporary Traffic Control By-Law for Mill Road Bridge/Overpass Rehabilitation & 2018 Road Reconstruction Watermain & Sewer Replacement. (Contract 18-OF-03).

---

As you are aware Council has approved the Mill Road Bridge/Overpass Rehabilitation & 2018 Road Reconstruction Watermain & Sewer Replacement. (Contract 18-OF-03). This project will be beginning on Monday June 11<sup>th</sup>, 2018 by Makkinga Contracting.

This report has been written as this department along with the Clerk's Office and Public Works as we are responsible for ensuring that a temporary traffic control by-law is implemented for this construction project. This temporary by-law allows enforcement staff to be able to ensure the adequate flow of traffic through the construction area, throughout the project.

Attached to this report for your reference are a copy of the draft temporary traffic control by-law and map outlining the project.

This office is asking the Planning & Development Executive Committee to recommend that Council approve the proposed temporary traffic controls and direct the that a by-law be drafted for signing by Mayor and Clerk.

Respectfully submitted,
