Re: Gold Star Taxi Request for Tariff

Council will recall at the regular meeting held August 26, 2013 that a request for Taxi Tariff was referred to the Planning & Development Executive Committee for recommendation.

This request is for Gold Star Taxi, owned & operated by Doug Derendorf. The Taxi Tariff Request has been researched by this office and is identical to the rates currently being charged by Royal Taxi & North Air Services and is also the current Tariff Rates as per By-Law 57/05. A copy of the Tariff Card has been attached for your reference.

The Planning & Development Executive Committee recommended at their meeting September 3, 2013 that Council approve the Taxi Tariff Rates for Gold Star Taxi.

Respectfully submitted
