SECONDED BY: *John Curran*

Whereas the Fire Protection and Prevention Act, 1997, legislates that fire prevention, public education are a mandatory municipal responsibility and fire protection services are provided based off needs and circumstances;

And Whereas there are a total of 449 Fire Departments operating in the province comprised of 32 Full-Time Departments, 191 Composite Departments and 226 Volunteer Departments with 11,376 Full time Firefighters, 19,347 Volunteer Firefighters and 343 Part-Time Firefighters staffing these departments;

And Whereas the fire service represents a significant percentage of small, rural and northern municipalities' managed capital assets;

And Whereas the Municipal Fire Department and associated assets represent critical municipal infrastructure;

And Whereas there are currently no funding opportunities available from the Provincial or the Federal Government for the equipment, training, maintenance, operating, or capital requirements of local fire departments;
