Dear valued partners,

Ontario's Climate Change Action Plan (CCAP), released on June 8, 2016, committed to creating a cleaner transportation sector in Ontario, in part by promoting cycling.

The Ministry of Transportation is ready to do its part to support the CCAP by implementing a number of initiatives that support reductions to transportation emissions. These initiatives will be funded by proceeds from the province's cap and trade program.

Through a discussion paper posted to the Environmental Registry, we are seeking your input on a proposed plan to implement actions identified in the CCAP to improve commuter cycling networks.

We encourage you to review the discussion paper, accessible through the Environmental Registry (EBR Registry Number: 012-8772) or the Ministry's Cycling Strategy web page and provide your comments by November 30, 2016. We look forward to hearing from you.

Sincerely,

Jill Hughes
Director
