Good Afternoon:

Please place the attached on the next PDEC agenda and obtain input from OFEC. In light of there being only one meeting in July and one in August, please place on agenda without being referred by Council (which is standard practice).

Thanks.
Lisa

Subject: RE: Rainy Lake Island Conservation Reserve Sign - Sorting Gap Marina

Hi Jason,

As discussed yesterday please accept this email as a request to put up a sign located at the Sorting Gap Marina. We would like to locate the sign to the west of the Fort Frances Sign in front of the scaling yard. If this location does not work or after reviewing the attached photos of the sign, you believe there is another location that would work better for the Town please don't hesitate to let me know and we can discuss.

Thanks,

TJ Maedel
