RE: **Canada Day Rainy Day Plan**

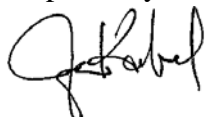

At the regular meeting of the Community Services Executive Committee on December 7, 2015, Cynthia Donald was present to request that the Memorial Sports Centre be made available as a 'rainy day location' for potential events that her group would like to plan for July 1st in conjunction with the Canada Day Advisory Committee. The preferred venue will be a local park but they don't want all the planning to be in vain without a backup plan in the case of inclement weather. Some of the additional activities that Cynthia and her group of 6 volunteers would like to consider to enhance the typical activities (parade, beach volleyball, bathtub races, and fireworks) are:

- dunk tank
- car club
- sail boats
- kids activities
- air band
- food vendors
- bingo
- card board boats
- kayaking
- horseshoes
- sand castle contest
- fun run
- Little Theatre entertainment
- seniors yoga & tai chi
- paddleboards

Recommendation

The Community Services Executive Committee recommends to Mayor and Council to furnish the Memorial Sports Centre as a 'rainy day location' at no cost to the Canada Day organizing committee in the case of inclement weather for the proposed July 1st community activities presented.

Respectfully Submitted,

Jason Kabel
