Subject: Pre-Approved Capital Purchase of Two Sets of Bunker Gear

Background

The Fort Frances Fire & Rescue Service Capital Budget has six sets of Bunker Gear listed as #1 in the prioritize capital listing at a cost of \$12,000.

As I stated in the budget meeting on March 4th, 2019 in the Committee Room ... two members of the Fort Frances Fire & Rescue Service have Bunker Gear, which will expire at the end of April as they will have reached the life-expectancy of 10-years.

Quotes have been obtained from various suppliers and the two sets of Bunker Gear has been ordered.

The Administration & Finance Executive Committee recommends that Council approve the report as presented and recommends for council to bring forward the resolution to approve the capital purchase of two sets of Bunker Gear.

Respectfully submitted,

Tyler Moffitt
Fire Chief/CEMC
Fort Frances Fire & Rescue Service

<p>Council approval of this report will agree to the recommendation of the Administration & Finance Executive Committee to approve this report as presented and bring forward the resolution to approve the capital purchase of two set of Bunker Gear for a total net cost of \$3,690.06.</p>
