

REPORT TO: Mayor and Council

FROM: Shane Freamo, Information Technology Manager

DATE: September 18, 2018

SUBJECT: **Fibre Agreement with Tbaytel**

Background

A report was submitted to the Administration & Finance Executive Committee recommending entering into a 5-year service agreement with Tbaytel to provide fibre network services to the Town of Fort Frances.

The proposed fibre network would replace the current wireless point to point network that connects Town facilities currently.

Recommendation

The Administration & Finance Executive Committee supports entering into a 5-year service agreement with Tbaytel to provide fibre network services for the Town of Fort Frances.

Respectfully submitted,

Shane Freamo
Information Technology Manager

<p>Council approval of this report will: agree to the recommendation of the Administration & Finance Executive Committee to enter into a 5-year agreement with Tbaytel to provide fibre network services to the Town of Fort Frances.</p>
