Subject RE: June 3rd Meeting of Canada Day Committee 

History:

This message has been forwarded.

Good Morning:

I did not respond to this e-mail prior to my departure for conferences. I have just looked through my in bin upon my return to the office and I do not see any request for a parade in Fort Frances from this group. All requests for parades/road closures have to come through the Clerk's office, preferably in a timely fashion as I have to confer with my community partners to ensure that there are no issues, after which a letter of permission will be sent from my office. Please let me know who I should expect the letter to be from and when it will be on my desk. Hopefully I am able to get responses from community partners in time to provide permission or the event will not be able to proceed.

Thanks.

Lisa

Subject RE: June 3rd Meeting of Canada Day Committee 

Hi Geoff,

The committee had to make some decisions regarding the parade and it seemed to be best for this year **not** to proceed with the idea for the route to be Marina to The Point Park. Two legion representatives were present at today's meeting again and it seemed most convenient to have the parade start at the Sorting Gap and move

Westward towards the Legion (along the path that you would typically take). We hope that you are okay with this decision and would like to know if you need anything further from the committee (we discussed the road closure and necessary arrangements through the Clerk's office that your organizer typically arranges). Please forward any questions/concerns you may have.

P.S. Next meeting is scheduled for June 17 @ 1:00 in the committee room at Town Hall

Thanks Geoff,
Jason

Hi Everyone

Please look over the minutes for errors or omissions prior to the meeting set for June 3rd at 1:00 pm. I have not yet received an email address from the Legion but I will make sure they get their copies.

Thanks
