RE: Purchase of a new Zamboni

With the receipt of the ICIP Rec and Culture grant at the Memorial Sports Centre, one of the components of the work there is to replace the old Zamboni. The Town has two Zamboni's a primary one purchased in 2009 and a secondary one purchased in 2002 for if the primary unit has a mechanical breakdown.

The town utilized the LAS Sourcewell Group Purchasing for this purchase working with Zamboni to specify a unit to meet our needs. Because the tendering has already been completed by LAS a full tender did not have to be prepared for this purchase, however appropriate wording has not yet been included in our procurement policy as this policy is currently under review by Administration. Therefore, in accordance with the Administration report dated April 8, 2020, a report is being brought forward to document the purchase. Zamboni did provide a trade in value for the Town's 2002 secondary unit of \$8000.00 leaving the 2009 Zamboni as the new spare.

It is the recommendation of the Operation and Facilities Executive Committee that a new Zamboni Ice resurfacer be purchased through the LAS Group Purchasing program from Zamboni for a total price of \$100,168.30 including a \$8000.00 trade in value for our 2002 Zamboni plus applicable taxes.
