Hi Leana,

Thank you for your HKCC Water Does Wonders Partnership Proposal. We're pleased to offer **\$3000** for your planned activities at the Memorial Sports Centre aiming to promote water consumption and reduce access to sugar sweetened beverages.

This funding can be provided through one of the following ways:

- 1) Send me an invoice itemizing what will be purchased, a cheque will be provided, then you submit receipts for the items bought.

OR

- 2) Make your purchases, submit the receipts to me, then you'll be reimbursed by cheque.

All purchases will need to be made, and receipts submitted by **March 17th, 2017**.

As you know, Policy Development was a required component of the Partnership Proposal. In the weeks to come, I will be following up with you about the policy outlined in your proposal to determine if any resources or support will be needed as you proceed with the policy development and implementation process. Copies of all policies will be collected in March 2017. A template will be provided in January outlining the policy and activity reporting requirements.

Please let me know if you are interested in accessing this funding and proceeding with your proposed activities, and if so, which payment method above will work best for you. Feel free to contact me if you have any questions.

Thank you, and best wishes for a safe and happy holiday season!
