### TEAM MEMBERS RESPONDED TO 14 EMERGENCY RESPONSE CALLS DURING FEBRUARY 2020.

#### Total Hours:

- **23.85 Hours** was spent on responding to emergency incidents.
- **4 Hours** was spent on training.

#### Time of Day:

During this month, **79%** of our calls for service occurred on the Day Shift between 07:00 & 19:00 and **21%** of our calls for service occurred during the Night Shift between 19:00 & 07:00.

#### Fire Prevention Inspections / Re-inspections:

**9** inspections / re-inspections were completed in January. The re-inspections included multiple visits to specific locations. This brings the total to **25** inspections / re-inspections to date.

#### Fire Response Calls: 3 Fire Calls.

Two fire calls were cooking related, which involved burnt food.

Another significant fire involved three vehicles, which spread to a large building. Five full-time Firefighters, eight part-time Firefighters, the Fire Chief and two pumper trucks responded to the scene. Due to the quick response of firefighters, the fire was quickly knocked down, and further damage was prevented.

Meanwhile, I would like to thank all members of our team who responded to this serious fire; well done!

**(CO) Carbon Monoxide / Gas Leak Calls: 1 CO call**, which was in fact related to faulty heating equipment. As well, there was **1** false Natural Gas call.

## FEBRUARY 2020 REPORT FROM: TYLER MOFFITT – FIRE CHIEF/CEMC

**Fire Alarms:** 4 False Fire Alarm Calls.

**Other Calls:** 1 call due to someone stuck in an elevator, as well as 1 call due to a radio communication failure at the water tower. I would like to thank our comrade Gavin Payne for his quick response to this radio communication failure. His radio communications skills are a true compliment to the Town of For Frances Fire Rescue Service. Well done Gavin!

**EMS Calls:** 2 calls. Both calls were First Responder Calls, as the Paramedics in Fort Frances were on another call and were unavailable.

**Hazmat Calls:** 1 call. Team members delivered and set-up the Town of Fort Frances Fire Rescue Service Mobile Command Trailer 11-5 during a significant train derailment, which took place in Emo. Our command trailer provided a heated place for the rehabilitation of emergency responders. The trailer remained on the scene of the derailment for three days.

### Training:

Two separate 2-hour training sessions were completed.

### Public Fire Safety Education:

Weekly Fire & Life Safety Tips continue to be published in the Thursday edition of the Fort Frances Bulletin, as well as on our towns official Facebook Page.

## FEBRUARY 2020 REPORT FROM: TYLER MOFFITT – FIRE CHIEF/CEMC

This month we thank the people of Gillons Insurance for their continuing support of Public Fire Safety Education in the Town of Fort Frances. Well done Gillons!

Team members Dave Crichton and Brad Townson travelled to Fort Garry Fire Trucks, in Winnipeg to take part in the final inspection process for the Town of Fort Frances new pumper fire truck. The final inspection went very well.
