PROJECT DESCRIPTION AND TIMELINES

Background

The Sister Betty Kennedy Senior Centre was established 31 years ago by the Town of Fort Frances in order to meet the social and recreational needs of area seniors. Over the years the Centre has successfully offered a number of programs including workshops on elder abuse, computer training and defibrillator training. The Centre has also been actively involved in the Ontario Senior Games and has been the venue for the Games in the district for the last 31 years on an alternating basis with Kenora and Dryden.

Project Objective

As a result of the loss of the major employer in Fort Frances and the subsequent relocation of many younger families, the town has become an "older" community. Many of the senior residents require services from the various agencies which serve the community; however, they are not aware of how to go about finding the services they need.

The **Fort Frances Seniors Community Resource and Educational Awareness** project will create a comprehensive directory of the health and wellness services available to seniors in the area. The directory will identify a broad range of services available through agencies and local businesses. It will indicate where and how to obtain these services as well as any costs which may be incurred. To compile the directory researchers will interview agency personnel, collect brochures and contact various businesses which provide special services to seniors. The information will then be collated and printed in a directory which will be widely available. The completed directory will be presented at a Seniors Fair to be held at the Sister Betty Kennedy Senior Centre in Fort Frances.

The Fair will include workshops which focus on senior issues relative to health, safety and public resources. Some of the presentations will be on:

- Seniors and medication
- Nutrition for seniors
- Seniors and mental health
- Wills, estate planning and power of attorney

Scope of Project

- Five hundred directories will be produced and distributed.
- It is anticipated that 120 seniors, primarily females over the age of 65, will attend the fair and that many others will benefit from the information presented in the directory.
- The project will benefit older women as well as the aboriginal seniors in the area.
- The Fair will provide an opportunity for seniors, especially females who do not drive to socialize as well as learn from the workshops.
- Both the Fair and directory will be in English only.
