### AMO Matters

One week left to submit your municipal government project that demonstrates excellence in the use of innovative approaches to improve capital and/or operating efficiency and to generate effectiveness through alternative service delivery initiatives and partnerships. Apply for the 2016 P. J. Marshall Municipal Innovation Award today!

### Provincial Matters

To improve accuracy and consistency, O.Reg. 359/09 has been updated to use 2013 CSA acoustic noise measurement techniques. Additional guideline changes will require municipalities to identify for wind developers which vacant properties are potential "noise receptors" within the 1ha zone around the wind turbine.

### AMO/LAS Events

AMO presents Media Relations Workshops in Thunder Bay, Sault Ste. Marie, Mississauga, London and Belleville starting in June. This training will better prepare you and your municipality for the media spotlight, on good days and bad. Find out more and register today.

Join fellow Heads of Council at AMO's Heads of Council Training on Sunday, August 14 in Windsor. Get the information you need to be an effective Head of Council. Learn what skills you need to utilize, the tools you need to lead, manage and collaborate and more. Don't miss out, and reserve your space today!

The AMO Conference programming keeps growing! These industry sponsored lunch sessions focus on topics relevant to all municipalities in Ontario. Join peers on Tuesday, August 16, 2016 for an hour long event that is sure to spark conversation. Learn more about the lunches and the Conference program today! Please note space is limited in these lunch sessions

### LAS

Help your residents protect against sewer and water line freezing, clogging, rotting and cracking by endorsing the LAS Sewer and Water Line Warranty Service. There is no cost to the municipality and it is 100% optional for residents. Find out how you can provide residents piece of mind starting at \$5/month.
