Re: Updated Draft Animal Control By-Law.

As you are aware this office has been tasked with reviewing our current pet licensing program and preparing a Draft Animal Control By-Law for consideration by the Planning & Development Executive Committee.

The Planning and Development Executive Committee at its meeting on September 5th, 2017, requested a changes be made to the draft by-law and be brought back to its next meeting for a final review.

Therefore, with this stated we are asking that the Planning & Development Executive Committee recommend that Council approve the authorization to prepare an appropriate by-law for signing by Mayor and Clerk.

Respectfully submitted,
