Dear Mayor and Council:

The District 1A Senior Games for residents of the Kenora/Patricia and Rainy River districts will be held in Fort Frances this year on June 7 and 8. We anticipate attendance of approximately one hundred people to participate in the Games. Winners of the Games will be eligible to compete in the Ontario Senior Games which are being held in Midland in August of this year.

We would appreciate the Town's financial support in the amount of \$2.00 per participant to help to defray the expenses involved in mounting the Games.

Thanking you for your consideration,

Sincerely
