RE: MSC Discounts for Staff – Email from C. Goulding

In the attached email from Caroline Goulding, Library CEO, the question is being posed if the 'Town ever considered having discounted rates at the MSC for Town Staff as a part of a mental health initiative'?

Currently there is not a policy in place for membership discounts for Town staff at the Memorial Sports Centre.

There are contracts in place with fitness instructors who teach fitness classes to have complimentary access to the MSC facility.

It has also been a long-time past practice that lifeguards can use the pool & fitness area of the facility without charge.

Recommendation

To endorse Memorial Sports Centre administration do research of other municipalities to determine if a discount for Town staff may be something to consider.

Respectfully Submitted,
