Report To: Travis Rob, P.Eng., Manager of Operations & Facilities
From: Craig Miller, P.Eng., Environmental & Facilities Superintendent
**SUBJECT: Fort Frances Drinking Water System
2019 Annual Summary Report (O. Reg. 170/03, Schedule 22)**

and

Ministry of the Environment Inspection Report – 2018/2019

As a requirement of Ontario Regulation 170/03 Schedule 22, the Owner of the Drinking Water System (The Town of Fort Frances) shall prepare a report for the preceding calendar year and give to the members of council no later than March 31. The report is to list the requirements of the Act, regulation, system's approval, drinking water works permit, municipal drinking water licence and any orders applicable to the drinking water system that were not met and what duration/measures were taken to correct the failure during this period. The report is also to include a summary of the quantities and flow rates and compare them to the rated capacity and flow rates approved in system's approval, drinking water works permit or municipal drinking water licence.

The attached Schedule 22 Summary Report identifies the above and includes the findings of the MOECC Drinking Water Inspection Report from the Ministry inspection conducted February 4th and 5th, 2019.

Once approved by council, a copy of the summary report will be sent to the Owners that connected to and receive drinking water for the Town system. Finally a copy of the report will be posted on the Town's website for public viewing.

Respectfully submitted,

Craig Miller, P.Eng.
Environmental Superintendent
