Dear Mayor Caul:

As a responsible global railroad that links communities to markets around the world, CN is taking all necessary steps to protect our employees, communities, customers, vendors and partners, in response to the unprecedented challenges associated with the pandemic. As we continue to run a solid operation to safely serve our customers and keep the economy moving, we remain committed in our efforts to educate the public on rail safety.

Rail Safety Week will be held in Canada, the United States and Mexico from September 21-27. Our activities will look different this year, however our efforts to get the rail safety message out will be stronger than ever. Rail safety never takes a break and, as proud neighbours, we continue to work with *Operation Lifesaver*, our communities and local authorities, CN Police Service officers and other CN employees to help prevent accidents and injuries at rail crossings, and ensure everyone's safety on and around railroad infrastructure year-round.

Rail Safety is a shared responsibility

Every year, more than 2,100 North Americans are killed or seriously injured because of unsafe behaviour around tracks and trains. Rail safety is everyone's responsibility. By looking out for each other and working together, we can help keep our communities safe and prevent fatalities and injuries on or near railway property.

Your council can continue to be a powerful ally in this effort to prevent these incidents and save lives by adopting the attached draft proclamation, as you have done previously. Please send a copy of your proclamation by mail or by e-mail to Marie-Pier.Triganne@cn.ca and let us know about your plans to promote rail safety in your community.

CN – Marie-Pier.Triganne
935 de la Gauchetière Street West
16th floor
Montreal, Quebec
H3B 2M9

If you have any questions or concerns about rail safety in your community, please contact our Public Inquiry Line at 1-888-888-5909. For additional information about Rail Safety Week 2020, please consult cn.ca/railsafety or operationlifesaver.ca.

Sincerely,

Stephen Covey
