

Manager's Report for Tuesday June 8th 2021

We have been working hard getting everything ready for the Riverwalk, we postponed for a week because of the shutdown but still cannot have more than 5 people on the premises, so we cancelled the agencies, but we will give out the information they were going to ourselves.

Rick got us a real good deal on the ice cream cones at \$2.00 each so hoping we will get lots of people out.

Next hurdle is arranging the games so we only have 10 people there at one time (that is if we are in phase 1 which allows 10 people on the premises)

I want to thank everybody on the committee for all their hard work; you guys are awesome.
