Subject: RE: Request Email - Proposal for 8th Street Trails

Hi Patrick,

Please find the comments from the CSEC below regarding the 8th Street trails request.

8th Street Trails Request - Christine Kent - The committee recommends to the Planning & Development Executive Committee to consider the following with their recommendation to Mayor & Council:

- Have the proposed new trail GIS mapped and provided to the committee prior to giving the authorization to start clearing.
- Have Trish Law meet with Ms. Kent and volunteer trail groomer Mr. McLeod regarding GIS options for a new trail mapping.
- Determine if the proposed expansion is Town or Crown land.
- Ensure Ms. Kent and any volunteers sign a liability waiver prior to commencement of any trail clearing.
- Ensure the Town's Tree Removal policy is adhered to.

Please let me know if you have questions or concerns.

Thanks,
Jason
