April 21, 2016

Honourable Kathleen Wynne  
Premier of Ontario  
Room 281  
111 Wellesley Street West  
Toronto, Ontario  
M7A 1A1

Dear Premier:

The Council of the Township of South Frontenac endorsed the following resolution at their regular meeting held April 19, 2016:

"Whereas the Province is moving forward with another round of large renewable procurement initiatives;

And whereas these projects can create economic opportunities for property owners and municipalities as well as job creation in both manufacturing, installation and site maintenance;

And whereas certain large renewable procurement projects may not be aligned with the priorities of residents and municipal councils, despite municipal government having been given enhanced power to negotiate with green energy proponents;

And whereas the installation of large renewable procurement projects can have a significant impact on municipal infrastructure and operating costs;

Now therefore be it resolved that the Council of South Frontenac calls upon the Provincial government to regulate that; where there is not a willing municipal host and subsequently no community benefit agreement in place and green energy projects are awarded anyway that; successful proponents would be responsible to pay to the municipality, according to an established formula, and over the lifespan of the project, the associated costs to both infrastructure and operations commonly known as a Community Vibrancy Fund.

And that this resolution be sent to the Premier, the Leaders of the Opposition, Local MPP's the IESO, Local Municipalities and AMO.

Carried.

We respectfully request to be notified of any action taken in this matter.

Yours truly

  
Wayne Orr  
Chief Administrative Officer
