RE: Results of the 2014 Surplus Asset Sale

In August 2014 the departments of the Town of Fort Frances compiled a listing of items deemed to be surplus to the operations of the organization. This list was declared surplus by Mayor and Council on September 8, 2014 and advertised through a closed bidding process from September 11, 2014 to September 23, 2014. The attached spreadsheet outlines the winning bids for the items listed. All items highlighted in blue received no bids and were not sold in the process of this sale. All winning bidders have been contacted and payment and pick up are being arranged for the sold items.
