RE: The Inspection of Approved Aerial Herbicide Spraying Project for the Boundary Waters Forest

The Ontario **Ministry of Natural Resources and Forestry (MNRF)** invites you to inspect the MNRF-approved aerial herbicide spray project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Boundary Waters Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 1st, 2020 to September 30, 2020.**

The approved project description and project plan for the aerial herbicide project is available for public inspection is available electronically for public inspection on the Ontario government website at www.ontario.ca/forestplans beginning **June 30th, 2020 until March 31st, 2021** when the annual work schedule expires.

Interested and affected persons and organizations can arrange a remote meeting with MNRF staff to discuss the aerial herbicide project.
