Re: Opening reception for Fort Frances Museum 40th Anniversary – Wednesday, Sept 19th

The Museum will celebrate its 40th Anniversary with an exhibit that runs September and October this fall. As the Museum's capital project – the building of the roof, accessible washroom and ramp – will also be complete, we would like to celebrate with a wine and cheese public event. Representatives from Trillium, FedNor and all levels of government will be invited.

Please accept this request to declare the exhibit opening, Wed Sept 19th, as a municipally significant event (for purposes of liquor licensing).

Sincerely,

Sherry George, Museum Curator

<p>Council approval of this report will agree with the recommendation of the Community Services Executive Committee to declare the Museum 40th Anniversary exhibit opening, Wednesday, September 19, 2018, as a significant community event.</p>
