CROSSROUTE FOREST**

The Ontario **Ministry of Natural Resources and Forestry (MNRF)** invites you to inspect the MNRF-approved aerial herbicide spray project. As part of our ongoing efforts to regenerate and protect Ontario's forests, selected stands on the **Crossroute Forest** (see map) will be sprayed with herbicide to control competing vegetation, starting on or about: **August 1st, 2017**. The herbicide **Weed-Master**, registration # **29009** will be used.

The approved project description and project plan for the aerial herbicide project is available for public inspection at the Resolute Forest Product website and on the MNRF public website at ontario.ca/forestplans beginning **June 30th, 2017 until March 31st, 2018** when the annual work schedule expires. Ontario Government Information Centres at Atikokan and Rainy River provide access to the internet.

Interested and affected persons and organizations can arrange an appointment with MNRF staff at the MNRF District or Area office to discuss the aerial herbicide project.
