To Whom it may Concern,

There is a need for more multi-residential lots in the Town of Fort Frances.

I have been trying to locate a lot for some time.

I am requesting that you look into this matter immediately. I am trying to move into 704A Armit Avenue as my primary residence, however, the tenants are not able to find an affordable place to live.

I am homeless currently.

We need more affordable housing and I am trying to build it.

Thank you for your help!

Kind Regards,

Louise Tennant
