To whom it may concern:

I live on the corner of Armit Avenue and Fourth Street and I have no parking on the street for two hours on even numbered days during the school year. There are no parking signs on Fourth for two hours of every day on Fourth and Armit is filled with moving cars in the Kiss-n-Ride program. My mother has got some pretty angry looks for parking there and really it is not safe for cars

to be going around parked car or cars. One of the signs is on my lawn because of vandalism. The program is not using Fourth so could the signs be taken down please. I have had one friend get a ticket and it just doesn't seem fair that I have no safe place for my guests to park near my home.

Thank you for reading my request.
