SUBJECT: Ontario Family Fishing Events celebrates 20 years of licence-free fishing this summer July 6-14, 2013

Ontario Family Fishing Events (OFFE) is a wonderful initiative that invites new anglers out onto the waters to cast a line. This year marks 20 years of licence-free fishing for the summer events.

Each year, the Ontario Government designates two periods throughout the year as license-free, one in February and one in July. During all other time periods, Canadian residents between the ages of 18 and 64 years must purchase an OUTDOORS card and a fishing license to legally fish in Ontario. This year, the summer licence-free days are scheduled for July 6-14, 2013. During these nine days many fish festivals, clinics, or conservation and educational activities may be held in your area.

Please help raise awareness for these licence-free days by adding July 6-14, 2013 to any summer events calendar in which you participate. In addition, please consider "declaring" these dates as Ontario Family Fishing Events.
