The members of the Boundary Waters Dragon Boat Club Committee would like to extend a big *thank you* for your support of the second annual Boundary Waters Dragon Boat Festival. Your generosity, enthusiasm and heartfelt support were most certainly recognized by both organizers and participants of the Festival. Your contribution and commitment were integral to the success of this year's event.

This year's Festival saw 13 teams take to Rainy River, with nearly 200 paddlers participating! Over the course of the day, the number of spectators spotted along the riverfront was outstanding. Beyond watching the races, there were activities for children, food vendors and craft vendors throughout the day for locals to take in. There's no doubt about it, the Boundary Waters Dragon Boat Festival was *the* place to be to celebrate Canada Day in Fort Frances.

We have received incredibly positive responses from the 2013 Paddler Survey thus far with a strong majority saying they'll be back again in 2014! Moreover, our club is growing and so is the enthusiasm from within our community. We are already excited to be making plans for the third annual Boundary Waters Dragon Boat Festival and look forward to your continued support in 2014!!

Sincerely,

Boundary Waters Dragon Boat Club
