Dear Mayor Avis:

I would like to thank you for your participation to date in the review of our 2010 Long-Term Energy Plan, and inform you of some changes in our consultation activity.

First, we have extended the [Environmental Registry](#) submission period to September 16. The discussion guide entitled [Making Choices: Reviewing Ontario's Long-Term Energy Plan](#) is posted on the Environmental Registry, and if you have not yet taken the opportunity, I strongly encourage you to provide comments. Submissions received through the Environmental Registry will be considered prior to finalizing Ontario's review of the Long-Term Energy Plan.

A roundtable and public open house will be held on August 21 in Ottawa. Due to significant interest, I am pleased to announce that new sessions have been added and will be held on September 3 in Burlington and on September 10 in Sault Ste. Marie.

To RSVP to a roundtable session, [please click here](#) or call 1-855-440-4041.

Once you confirm your attendance, we will send further details about the time and locations of these sessions.

I look forward to working with you as we review Ontario's Long-Term Energy Plan.

Sincerely,
