Report To: Mayor and Council

From: Aaron Bisson, Manager of Recreation and Culture

**RE: Rainy Lake Gymnastics Academy Request**

---

The Rainy Lake Gymnastics Academy has requested to expand their programming to six days per week and be the sole tenant of the auditorium in the Memorial Sports Center. Currently we have two tenants in the Auditorium for the period the gymnastics club is requesting to be the only tenant. The Town will work with both parties to try and find a suitable compromise.

**Recommendation**

The Community Service Division recommends to Mayor & Council to continue with the current agreement and look for a suitable compromise for both parties.

Respectfully Submitted,

*Aaron Bisson*
