Dear Mayor and Council,

I am writing on behalf of the Fort Frances Minor Hockey Association (FFMHA) to thank you for the relief of our outstanding finance charges. This generous gesture has given the new Board a clean slate to start the 2018-19 hockey season. We have completed our budget for this year and am pleased to report that we have a conservative budget with a small surplus for contingency. We look forward to a great hockey year while meeting all of our financial obligations.

Thank you for your support.

Sincerely,

Travis Enge
Treasurer - FFMHA
