

November 26, 2017

Attention: Mayor and Council

Town of Fort Frances

We are writing to you to have great consideration given to resurfacing Cornwall Ave. between 6<sup>th</sup> and 8<sup>th</sup> street in the North end of town. It is entirely patched all over the road with numerous pot holes.

Please put on your agenda for your next council meeting for consideration in the 2018 budget.

Thanks

Eric and Antoinette Kaufman
