RE: Sunny Cove Camp

Again this year, the Watten Volunteer Fire Department is undertaking a fund raising campaign. We are contacting you as Sunny Cove Camp is located in Watten Township and receives fire protection services from this Fire Department. Last year the Town of Fort Frances donated \$300.00 to the Watten Fire Department, so please accept our sincere thank you for doing this.

One of our fundraising activities this year is to hold a "Fish Fry" in August and the Watten Fire Department respectfully requests the Town of Fort Frances to donate the use of the main lodge at Sunny Cove for this fund raising event.

If you would like further information about the activities of our organization or this request please contact Rob Cochrane at 274-1813 or Brian Angus at 274-6057.

We appreciate your consideration and assistance.

Thank you.
