Re: Traffic Control By-Law #21/14 Amendment H.

---

The By-Law Enforcement Department has received another request for removal of Loading Zone from a business who currently has a stall designated. The attached Draft By-Law Amendment H is attached for your reference.

As this is a housekeeping item and normal practice for this department. The signage for this location has already been removed and the parking space has resorted back to the necessary traffic controls currently in place in the area and are back open for public use. (For instance, this stalls is located within the BIA Area and has resorted back to 2 Hour Parking).

The Planning & Development Executive Committee is recommending that Council approve the report as presented and direct Administration to have the By-Law Amendment prepared for signing by Mayor and Clerk.

Respectfully submitted,

Original Signed By

<p><b>Council approval of this report will:</b> approve the recommendation as presented and authorize that an amendment by-law be prepared for signing by Mayor &amp; Clerk.</p>
