Re: Upcoming Meeting of the Ontario Association of Police Service Boards ("OAPSB")

Dear Member Representative(s):

I am writing as your representative at the OAPSB board table to request your input on the discussion paper issued by the Association of Municipalities of Ontario ("AMO") regarding the structure of Police Service Boards for the Ontario Provincial Police. Ms. Bruyere circulated that paper last week.

The next meeting of OAPSB is on May 28th, 2020, and I will be attending as your representative. A number of our member municipalities have already made known to me their concerns, which I will be addressing. I am writing today to ask you to communicate any concerns in your community, so that they might be considered.

Thank you for serving your rural municipality with such passion and commitment. Together, our rural communities enrich the lives of all who live in Northwestern Ontario.

Stay Safe!

Yours truly,

Kevin Holland
