RE: Building Expansion Update

In preparation of an expansion to the Fort Frances Senior Centre, we are going to have a preliminary discussion on what the expansion will look like. Information collected will be used to help develop a tender for the purpose of expansion.

Our Operations and Facilities Manager will be on hand to help provide insight into the expansion area and potential options based on the needs of the centre.

Respectfully Submitted,

Aaron Bisson
Manager of Recreation and Culture

Manager's Report Tuesday October 12th 2021

Things are back to normal at the Centre with the cards, coffee, and snooker. The cardmaking, shop lessons and knitting groups are all doing very well.

Our calligraphy class will start in November, and we have 8 people signed up for that. We have our cooking classes starting on October 20th and I am still looking for a teacher for the painting classes.

We had our booth at the Science North Road Show, and we had a lot of people stop by and they were very pleased that we were going to be offering other things to do here. I think overall it was a very good 2 days . I want to thank Irene, Cynthia, Rick and Ken for coming out to help man the booth with me.
