REPORT

TO: Community Services Executive Committee

RE: **Canada's Mosaic**

The following is the information that I received about the Canada Mosaic.

The cost to our community would be \$10,000 or \$12 500 depending on the size of the mural.

They provide 2-3 artists to come and paint 150 tiles and community members paint 400 tiles. The event takes place over 3 days. The first two days the community paints 400 tiles as well the artist paint 150 tiles. On the third day, the artists clear coat the tiles and mount them.

The three days could happen at a special event, for example the bass tournament. It would be set up and people would stop by and paint a tile.

We could also have it as our own event that people would register for ahead of time. We would be responsible for getting the message out to the community about the event and organizing the event.

On the final day an unveiling of the mural will take place.

Respectfully Submitted,

Leana Moffitt
Program Director

CANADA 150 MOSAIC

*The National Mural Created by
Canada's Communities Celebrating 150 Years*

Message from Lewis Lavoie

Hello,

What would a unified painting of Canada look like if it was painted by expressions of our people? As an artist, I am fascinated at the thought of what the final image will be when thousands of individual paintings, created by Canadians from coast to coast, are combined into one overall piece of art.

Not long after completing the first mosaic murals eleven years ago, it became apparent to us that these murals had the ability to involve practically anyone, from professional artist to “first timers”, from the very young to our senior citizens. No matter what their background everyone had one thing in common, they were part of a bigger picture. From the smallest of us to the most influential, we all part of a bigger story. To me, this is the sheer definition of what a community is. It seemed that overnight, communities began asking us to create murals.

Naturally, it came to me it would be incredible to create a mural that would connect our whole country. For years, I have been exploring what this would look like. Finally, the timing is perfect as Canada is about to celebrate 150 years.

I have chosen the train and railroad and feel it is the ultimate theme for connecting the murals. Railways played an integral role in the process of tying regions together. My vision is to do the same with these murals. All aboard!

Mural Mosaic

Mural Mosaic began in 2003 and was founded by the trio of Lewis Lavoie, Paul Lavoie and Phil Alain. Lead by renowned artist Lewis Lavoie, the trio is based out of St. Albert AB and have been orchestrating collaborative murals around North America involving artists and non- artists alike from all over the world.

Their murals have been featured at such events as the 2010 Winter Olympics in Vancouver, the 2012 Summer Olympics in London, the Centennial celebration of the Calgary Stampede, the Alberta Saskatchewan Centennial of 2005, the Edmonton Centennial of 2005 and a Royal unveiling for Queen Elizabeth II.

The murals have included special guest team members ranging from renowned artists to celebrity and political guests. Some past participants and guests include The Barenaked Ladies Kevin Hearn, William Shatner, Mike Myers, Dan Aykroyd, Robert Bateman, Michelle Grant, Bill Lishman, Ian Tyson, Former Premiers Lorne Calvert and the late Ralph Klein and literally thousands more.

Project Purpose

In 2017, Canada will turn 150 years old. It is a country that has welcomed the world through its borders.

To celebrate this birthday, the Mural Mosaic team is launching a bold undertaking. Over a two year span, the trio plan to create a mural including all provinces and territories, over 80,000 paintings and 150 individual murals that when united will form one gigantic mural mosaic. The mural, if ever connected would be over 365 meters wide (4 football fields) x 2.5 meters high (8 feet).

The mural will represent a cultural mosaic, a time capsule, a visual portrayal of history, an art masterpiece from the soul of the nation. An art piece that fifty years from now, may inspire another generation, who will in turn be able to celebrate through the mural, and maybe take it upon themselves to add to this memory.

Like the first settlers to come to the country, this project is full of ambition, adventure and the desire to trail blaze into new exciting frontiers. It will also face great challenges and obstacles. But, if history proves itself correctly, the trio of art explorers – Lewis Lavoie, Paul Lavoie and Phil Alain will find their way and en route will meet up with like-minded art explorers and something remarkable will be born.

Project Goal

150 Murals in 150 Communities completed by July, 2017.

Each province and territory will have only 5-15 individual communities who will be selected to represent the province and the nation. Each community will host an event inviting participants from far and wide from their region to participate and create their own community mural, which will then connect to the nation.

Upon the completion of the entire Canada 150 Mosaic, each community mural will reside in the town or city where it was created as a reminder of the 150th anniversary, and the pride of the community and the nation

The Making of a Community Mural

Community Mural Events

Each community mural created will have between 400-750 tiles to paint. The Canada 150 Mosaic team of artists and facilitators will come to your community and work with you to create an ultimate two-day painting event like no other.

Any skill level is welcome, all ages are welcome, you do not have to be an artist! Every tile painted will be 4 inches x 4 inches in size, creating a unified community mural.

Once your community mural is complete it will be virtually connected to other communities creating one massive overall National mural connecting the country coast to coast. Your mural contribution to the Canada 150 Mosaic will be permanently displayed in your community creating a lasting legacy landmark of Canada's 150th celebration.
