RE: Sunny Cove Camp

As part of its fundraising campaign again this year, the Watten Volunteer Fire Department will be hosting a fish fry at Sunny Cove Camp. The fish fry is scheduled for August 24<sup>th</sup>.

The Watten Fire Department must raise funds every year to cover operating and maintenance expenses for its fire hall and support fire services vehicle. As part of this campaign we are respectfully requesting the town donate the rental fee for Sunny Cove, or in lieu of this, a monetary donation. In past years the Town of Fort Frances has donated \$300.00 to the Watten Fire Department, and this support has been sincerely appreciated.

**RE:** **Municipal Alcohol Policy – Draft Revision**

---

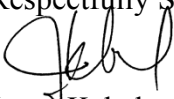

At the April 16, 2018 meeting of the Community Services Executive Committee, the committee reviewed and made recommendations for subsequent revisions to the Municipal Alcohol Policy (MAP). The Community Services Division also sought input from the Northwestern Health Unit (NWHU) to determine if the current draft would meet the 'Blue Ribbon Standard' for their policy evaluation. The previous draft did achieve 84 points on the Blue Ribbon scale (70 points minimum achieves Blue Ribbon status) but there were a few recommendations from the NWHU for consideration for an even stronger policy.

Please find attached the updated draft of the MAP for consideration with revisions **highlighted**.

## **RECOMMENDATION**

The Community Services Executive Committee recommends to Mayor & Council to endorse and adopt the attached Municipal Alcohol Policy.

Respectfully Submitted,

Jason Kabel

- 9.7 Restricted areas in Town facilities will be clearly posted "Alcohol is not permitted in this area".

## 10. SAFE TRANSPORTATION

The risk of liability is high when an impaired driver leaves an event where alcohol is served. The Event Organizer is responsible to take the necessary steps to reduce the possibility of impaired driving. The Event Organizer is responsible for promoting safe transportation options for attendees of the event or contacting police as appropriate, including for persons who may be denied entry or are removed from the event.

As a condition of rental, the Event Organizer must have a Safe Transportation Strategy in effect. Examples of a Safe Transportation Strategy include:

- Providing non-alcohol beverages either at no charge or at a cost much lower than that of drinks containing alcohol.
- Providing alternate means of transportation for those who are suspected to be intoxicated (e.g. call a friend, relative, or taxi).
- Calling police if someone who is suspected to be impaired cannot be convinced to use

alternate transportation.

- Providing a Designated Driver Program which encourages and identifies designated drivers that will use a vehicle to transport intoxicated persons to a place of safety. This program should include announcements made periodically throughout the event to those in attendance encouraging the use of a designated driver or alternate means of transportation; program information posted prominently in the licensed/alcohol service area; and plans for backup transportation options that include those for whom the intoxicated person may be responsible.
- Advertise the Use of Taxi Service – The event organizer shall advertise or announce the availability of a taxi service to attendees of the event. If not required to provide a taxi service, the liquor licence event organizer shall ensure that appropriate signage is erected at the facility, which includes the telephone number and/or use their best efforts to obtain any attendee a taxi upon request.

## **11. POLICY IMPLEMENTATION / REVIEW**

The Municipal Alcohol Policy will be reviewed as necessary, at least every three years, by the Community Services Executive Committee with revision recommendations made to Council.
